Dear Mrs. Miller,

Thank you for your willingness to support Marian's athletic program. You have so many creative ideas that would be beneficial to the school as well as our student-athletes and parents.

I am very sorry to hear that you are unable to comply with Diocesan Policy 3540 that outlines how our school *Auxiliary Support Groups* are expected to function. As a result, it is necessary for you to remove the hurricane booster web site, the Twitter account and any other social media that is under your control that has not been authorized by Marian Central within 48 hours. If it is not removed within this time frame, it will be necessary for me to seek assistance from our legal department.

It is important for you to know that Marian's administration fully supports having an Athletic Booster Club but it is imperative that we follow and honor all Diocesan policies.

Please know that we want to work with you in developing a strong support group for our athletic program. If you should change your mind and decide to honor the policies already established by the Diocese, please let me know and I would be happy to discuss it further.

Sincerely,

--
